How One Family has Chosen to Support NLG

“The Comedy Night to Benefit Nashoba Learning Group and Autism Speaks was born out of a conversation with my good friend, Don Gavin, one of the top comedians in the country. Comedians are legendary for their generosity, and Don suggested he put a show together to benefit the autism cause. We had the first show in 2008 and it has become an annual tradition. We have raised more than $100,000 over the years. Julie and I are fortunate in that we have a core group of family, friends and colleagues who have been extremely loyal in their attendance and support year after year. That is also a testament to the caliber of comedians that Don attracts. Our show features an all-star cast that are headliners around the world. We donate all the net proceeds to NLG and Autism Speaks. One of the other positives is that we invite NLG staff as our guests, as a small token of our appreciation for the phenomenal work they do every day. Plus, we all need a few laughs now and then!”
